PAESTUM

Paestum, named by the Romans and Poseidonia by the Greeks, is located in the eastern Gulf of Salerno. It was one of the richest and most flourishing Greek colonies in Southern Italy along the west coast of the Tyrrhenian Sea. In 273 it became a Roman colony under the name of Paestum. It dates back to 510 with the construction of the three temples known as the Basilica, the Temple of Poseidon and the Temple of Ceres.

The rediscovery of Paestum dates back to 1762, when a modern road was built crossing through the city. The beauty of the three temples of Hera, Athena and Neptune is considered second only to that of the temples in Athens....

EXCURSION PROGRAMME*

13:30	Depart Salerno for Paestum. Estimated travel time: 1 hour.

GROTTE DI PERTOSA

Immersed in the green of the Cilento National Park, the caves appear as a real natural museum. The origins of the Grotte di Pertosa trace back to some 35 million years ago and are the most important caves in the south of Italy. The inside of the caves are crossed by a small river, which permits visiting some places only by small boat. Organised here, in this beautiful setting is a theatrical performance of Dante's Inferno. The event takes place on Saturday evenings. The Botanical Museum presents the natural flora and the biodiversity of the plants from Cilento and the Vallo di Diano with herbaria collections, seeds, wood, bulbs and fossils. An insect exhibition will be showing from March.

EXCURSION PROGRAMME*

13:30	Depart Salerno for Pertosa. Estimated travel time: 1 hour.
15:00 - 17:00	Visit of the caves. Main path crossed by boat then path continued on foot for 1200 m.
17:15-18:15	Visit to the Botanical Museum.
19:30	Arrive in Salerno

The price includes:

- Transport
- Entry and visit to the caves
- Entry and visit to the Botanical Museum

* Any changes to the schedule will be communicated promptly
